

The Landscapes of Boko Haram

Scott MacEachern

THURSDAY, MARCH 29, 2018. 2:00–3:00 P.M.

Chu Centre, International and Graduate Affairs Building (IGAB), 2nd Floor

MacEachern examines the deep history of Boko Haram, a contemporary Islamist terrorist organisation, but one that is rooted in a long tradition of frontier violence, banditry, and smuggling in Central Africa. His 2018 book *Searching for Boko Haram* is grounded in 30 summers of archaeological fieldwork in Cameroon and Chad.

Questions, and meet and greet to follow

Co-sponsored by Western University's Africa Institute, the Social Science Student Donation Fund, and the Departments of Anthropology and History
